№ 0141

The President of Ukraine, by his Decree №86 / 2022 of March 1, 2022, appointed Andriy Ilyich Lyakhovych as an Adviser - Commissioner of the President for Interaction with Public Associations and Volunteer Associations Participating in National Security: <https://www.president.gov.ua/documents/862022-41461>

On March 7, 2022, the Humanitarian Center of the Adviser - Commissioner Andriy Lyakhovych (hereinafter - the Humanitarian Center) started its activity on a volunteer basis.

The Humanitarian Center on behalf of the Adviser - Commissioner of the President of Ukraine, coordinates the efforts of volunteer movements, public associations, activists and donor institutions to effectively assist volunteer organizations in ensuring the national security.

The Humanitarian Center currently:

- 1) Provides territorial defense units with weapons and ammunition in all regions of Ukraine, including "hot spots".
- 2) Delivers and distributes humanitarian aid: food, clothes, medicines.
- 3) Evacuates civilians from the hottest spots.
- 4) Provides ready-made food as humanitarian aid to regime facilities, including Zhulyany airport, as well as to vulnerable groups of civilians (children, the elderly, inpatients, etc.). There are organized restaurateurs who prepare food for the next distribution for free. More than 2,000 people a day receive food.
- 5) Organized logistics of unimpeded passage of cars (medical evacuation and paramedics) of the medical company and volunteer organizations. Today, the

Humanitarian Center started the fundraising for the needs of public associations and volunteer groups involved in national security.

Просимо надати наявну гуманітарну допомогу:
